

UNIQUE MACHINE OFFERS RE-BUILDS & NEW TECHNOLOGY

UNIQUE MACHINE & TOOL CO.

UNIQUE DOOR MANUFACTURING INDUSTRIAL AUTOMATED MACHINERY

Reconditioned / Complete Re-Build Services

Unique Machine & Tool Company offers a service to those who have older Unique Door Machines or have recently purchased Used Unique Machines.

Many of you are looking for ways to keep costs low yet still obtain the efficient productivity that comes with a Unique Machine. Buying used definitely saves \$\$ upfront, However those deals often need a little work, so due to the numerous requests we are actively **reconditioning** & or **Re-Build** machines with **NEW Technology** upon request..

E-mail: service@uniquemachine.com

Reconditioned Sales

Looking for a DEAL ?

If you don't want the risk associated with **buying Used and "Rolling the Dice"**

Check out our inventory of Reconditioned and Demonstration equipment for sale.

Unique has taken in a few select trades and reconditioned them for sale. These units will provide you the piece of mind you will not find at an Auction.

Call us (602) 470-1911 Press 1 or send an E-mail: sales@uniquemachine.com
